

Boshears Memorial Fly-In

November 1, 1995

Mr. Hugh Oldham

Anderson, SC 29624

Dear Hugh:

On behalf of the organizing committee for the Fourth Annual Boshears Memorial Fly-In, thank you for the spectacular job you and Jane did during our event weekend before last!

When my husband and I heard you in Sylvania we came running home and told the 'boys we would just have to find the funds to bring you to our Fly-In. As far as the Committee and our sponsors are concerned, your fee was some of the best money we ever invested! For the first time in four years, our crowds were following the action--and understanding what was happening. And, of course, your patriotic memorial brought tears to many eyes as well.

Please rely upon us should you ever need any sort of recommendation as we could not be happier!

Also, Chuck Whigham has asked me to reconfirm with you our hope you will be with us again for the Fifth Annual Boshears Fly-In tentatively scheduled for October 19th-20th, 1995.

Again, we are most grateful your schedule permitted you and Jane to be with us as you added greatly to this year's show, Hugh!

Best regards,

Marcie Wilhelmi
Executive Director
